

Predictability + School on Data Assimilation

Wednesday, 25 May 2011

Session 2 - 132:028 (15:30 - 18:00)

time	[id] title	presenter
15:30	[278] Parameter and state estimation nonlinear models	Dr CUELLAR, Milena
16:15	[279] Emulating the behaviour of a large climate simulator	Dr ROUGIER, Jonathan
17:00	[280] Can model weighting improve projections of climate change?	Dr RÄISÄNEN, Jouni
