

# Clusters of Galaxies as Cosmic Laboratories

## Tuesday, 13 September 2011

### X-ray Surveys and Cosmology - FD51 (09:00 - 12:30)

time	[id] title	presenter
09:00	[260] Constraining dark energy and modified gravity with galaxy clusters	RAPETTI, David
09:45	[254] The XMM Cluster Survey: First Data Release and Initial Science Results	ROMER, Kathy
10:30	Coffe Break	
11:00	[257] Cosmology with the XMM clusters	CLERC, Nicolas
11:45	[255] The XMM Cluster Survey: Future constraints	SAHLEN, Martin
