

Clusters of Galaxies as Cosmic Laboratories

Tuesday, 13 September 2011

SZ Surveys, Mass Calibration and Cosmology - FD51 (14:00 - 18:15)

time	[id] title	presenter
14:00	[256] The Santa Barbara Cluster Standards Project	VOIT, Mark
14:45	[250] The South Pole Telescope Galaxy Cluster Survey	MOHR, Joe
15:30	Coffee Break	
16:00	[252] APEX SZ observations of galaxy clusters	HORELLOU, Cathy
16:45	[258] The cosmological implications of massive clusters	HOYLE, Ben
17:30	[259] Constraining Dark Energy with Cluster Strong Lensing	NATARAJAN, Priyamvada
