

# Galactic Magnetism in the Era of LOFAR and SKA

## Friday, 27 September 2013

### Polarization and Depolarization - FA32 (10:00 - 11:00)

| time  | [id] title  | presenter                      |
|-------|---|--------------------------------|
| 10:00 | [264] Starlight polarization                              | Prof. MAGALHAES, Antonio Mario |
| 10:30 | [265] Polarization and depolarization at long wavelengths | Prof. HORELLOU, Cathy          |
