

Session Program

July 27, 2015 to August 21, 2015

Magnetic Reconnection in Plasmas

Afternoon V

Nordita, Stockholm, 132:028

Fri, August 14

3:45 PM

Afternoon V

Session | Location: FD5, FD5 | Convener: Dr Stefano Markidis

3:45 – 4:10 PM

Current evolution within magnetic islands that are forced to shrink with electron cyclotron current drive

Speaker

Dr Jane Pratt

4:10 – 4:35 PM

electron physics and signatures in asymmetric magnetic reconnection

Speaker

Dr nicolas aunai

4:35 – 5:25 PM

Further discussion and conclusions

6:00 PM
