

Statistical Physics of Complex Systems

Thursday 9 May 2019

Power grid symposium (Peinke/Greiner/Schaefer/Olmi) - Alba Nova FD5 (14:00 - 16:00)

time	[id] title	presenter
14:00	[280] Renewable Energies: Turbulent Dynamics and Impact on Grid Stability	PEINKE, Joachim
14:30	[281] Renewable Energy Networks -- a Playground for Applied Statistical Physics	GREINER, Martin
15:00	[282] Power Grids as Dynamical Systems: Recent Progress and a Data-Driven Approach using Superstatistics	SCHAEFER, Benjamin
15:30	[283] Enhancing power grid synchronization and stability through time delayed feedback control	OLMI, Simona
