

Partikeldagarna 2008

Local organisers:

Lárus Thorlacius (Nordita)

Bengt Lund-Jensen (KTH)

Jan Conrad, Dave Milstead (SU)

SFS – Svenska Fysikersamfundet

- SFS Sektionen för elementarpartikelfysik- och astropartikelfysik
- Board: Jan Conrad, Carlos Perez de los Heros, Stephen Hwang, David Milstead, Anders Oskarsson, Torbjörn Sjöstrand, Oxana Smirnova, Nyclas Wyllard, Maxim Zabzine
- Partikeldagarna is the annual meeting of our SFS section.
- You must be a member to attend partikeldagarna so don't forget to pay your fee.

Organisation and admin

- Registration outside FB42
- If no group payment then please pay at the desk.
- Workshop dinner Thursday 19:30 in AlbaNova restaurant
- More folk than anticipated (>70) with influx from a number of institutes in recent week.
 - Last minute change of rooms
 - FB42 (Thursday: 09:00-13:00)
 - FR4: Oscar Klein Room (Thursday: 14:00-18:00)
 - FD5: Svedbergsalen (Thursday: 18:00-19:30)
 - FR4 (all day Friday)
- Lunch space reserved outside AlbaNova restaurant and agenda scheduled to avoid rush time.
 - Possibility of queue remains (depends on other factors)
 - Opportunity to visit lunch restaurants at "bottom of the hill" and over the road: 2 Asian, 1 African + Italian.
- Lots of speakers. Stick to time!!

External speakers

- Two speakers (1 for free as part of AlbaNova colloquim series)
 - Christian Spiering
 - Status and perspectives on astroparticle physics in Europe
 - Urs Wiedemann
 - Heavy Ion Collisions: from RHIC to the LHC
