

# **Molecular Response Properties Summer School 2021**

**Monday, October 4, 2021 - Friday, October 8, 2021**

**Nordita, Stockholm**

## **Scientific Program**

MRPWS 2021 consists of lectures (30 h) and problem sessions (8 h), all provided and lead by the organizers. Exercises take place after dinner time, during which problems are distributed but any aspect in concern with the lectures can be discussed in an informal atmosphere. Lectures are presented with aid of a projector.
