

Specialized Meeting of COST Action MD-Gas Working Group 1

Thursday, 25 August 2022

Session 1: Merged beams experiments in cryogenic environments - 4205 (09:00 - 10:10)

| time | [id] title | presenter |
|-------|-------------------------------------------------------------------|---------------------------------------------------------------------------------|
| 09:00 | [1] Introduction | WOLF, Andreas |
| 09:05 | [2] Neutral atom and ion merged beams in a cryogenic storage ring | URBAIN, Xavier |
| 09:20 | [3] Electron-ion merged beams in a cryogenic storage ring | PAUL, Daniel |
| 09:35 | [4] Ion-ion merged beams in a double cryogenic storage ring | SCHMIDT-MAY, Alice Frederike |
| 09:50 | [5] Discussion | SCHMIDT-MAY, Alice Frederike WOLF, Andreas PAUL, Daniel URBAIN, Xavier |
