

Astrophysical Magnetohydrodynamics

Wednesday, April 8, 2009

Morning session 2 (11:00 AM - 12:00 PM)

time	[id] title	presenter
11:00 AM	[271] Comparisons and connections between large scale dynamo theory and accretion disk theory	Prof. BLACKMAN, Eric
11:30 AM	[272] Dynamos and magnetic field detachment in thermally unstable interstellar flows	Dr KORPI, Maarit
